

## Weddings, Ceremonies, Wedding Breakfasts and Celebrations

### Your Celebration

With the best views in the city, rooms that open out onto a private deck and look out to sea, there couldn't be a better venue for your wedding or commitment.

Whether it's your ceremony, wedding or just celebrating, your guests are sure to be impressed.

Entertain in style, each of our rooms offers a wonderful spacious, light filled environment to enjoy. Filled with 20th century art and furniture, the rooms have a relaxed feel, and with several a la carte menus to choose from, this is a totally personal experience.

We will dress your tables with snowy white linen, elegant candelabra's and even pop on your favourite tunes. Let us take all the strain out of your day, leaving you to relax and enjoy yourselves.

**We very much look forward to welcoming you to the hotel and planning your special day with you!**
